Additional comments: _____

Municipal Gateway Character District

3) Please consider the **primary District roadways** listed below and whether or not you agree with their assigned **street classifications**. (See the attached street classification images, descriptions and map for guidance.) Note that the assigned street classifications are intended to guide the *future image* of that particular street and associated Character District and may not completely represent the existing image that is visibly present today.

a) Would you agree that **Live Oak Street** is best characterized as an **A Street**?

_____ Yes _____ No If no, which street classification do you think would best characterize this street? _____

b) Would you agree that **Safford Avenue** is best characterized as a **B' Street**?

_____ Yes _____ No If no, which street classification do you think would best characterize this street? _____

Additional comments: _____
