City of Tarpon Springs, Florida

- Whereas,* The City of Tarpon Springs has made education a top priority by supporting and advocating for its public schools; and
- Whereas,* The City of Tarpon Springs seeks to recognize area public schools for their outstanding academic achievements and accomplishments; and
- Whereas,* for the 2017-2018 school year, Tarpon Springs' area schools excelled on their Florida Standards Assessment (FSA) scores with six schools receiving an "A" grade and met the Top Apple criteria; and
- Whereas,* thanks to the efforts of committed principals, teachers, school officials, staff, parents, and students, Tarpon Springs' area public schools have shown great positive momentum by achieving an "A" grade during a time when increased standards make it more difficult to maintain and improve school grades; and

Now, Therefore, I, Chris Alahouzos, by virtue of the authority vested in me as Mayor of the City of Tarpon Springs, Florida, do hereby congratulate:
