Utilization Permit 20-1409 D
August 27, 2020

City of Tarpon Springs
Nick Makris, Projects Supervisor
324 East Pine Street
Tarpon Springs, FL 34689

Re: Utilization Permit for temporary installation of a pipeline @ Anclote Road (01/27/15)

Dear Mr. Makris:

We are enclosing your conditionally approved Utilization Permit covering the proposed construction described below:

**Temporary installation of a pipeline to pump Anclote Road dredge material,
@ portions of the east and north Right of Way of Anclote Road, per attached plans.**

This letter must be attached to and made part of the approved Utilization Permit, making the following conditions binding to the Permit:

1. It is the responsibility of the applicant to procure all necessary permits that are required by agencies that are affected by the proposed construction.
2. Notify Pinellas County Public Works, Chad Madonia prior to beginning work (727.378.2042 or cmadonia@pinellascounty.org, 48 hrs. minimum notice).
3. Applicant must notify Ray Charles-Dacres with Pinellas County Public Works Stormwater Division with a minimum notice of 48 hours prior to commencing work within the public Rights-of-ways. Notification must be made by email at the SWLocate@co.pinellas.fl.us.
4. It is the responsibility of the applicant to document the existing condition of the right-of-way prior to beginning work. Documentation may be in the form of video or photos and must be provided to Pinellas County prior to commencing work.
5. The proposed pipe shall not block the stormwater flow of the existing roadside swale.
6. There shall be no lane closures between peak travel times of 7-9 am and 4-6 pm.
7. Any damage to the existing asphalt shall be restored at the contractor's expense in a manner specified by Pinellas County Public Works. Refer to PC-1291 for pavement restoration.

Utilization Permit 20-1409 D

8. Disturbed area within the right of way will be compacted to 100% of maximum density and sodded.
9. No stockpiling of material in roadway or on sidewalk; all dirt and debris will be removed from job site daily. Roads and sidewalk to be swept daily as part of daily clean-up.

Before this Permit becomes effective, it will be necessary to contact the Utility Notification Center, "Call Sunshine", (1-800-432-4770) must be notified two full business days prior to construction.

Sincerely,

Amy Casamo

**RIGHT OF WAY
UTILIZATION PERMIT**

PERMIT NO: 20-1409

THE COUNTY OF PINELLAS, a political subdivision of the State of Florida, hereinafter called the Permittee, hereby grants to
City of Tarpon Springs of 324 East Pine Street, Tarpon Springs, FL 34689
(Name) *(Street Address, City, State, Zip)*

hereinafter called the Permittee, a Permit to construct , operate , maintain , renew and/or remove temporary installation of pipeline for pumping of Anclote R. dredge material on attached plan along, across, beneath, or over right of way and/or property of Permittee at the following location:
County Road No. 82 Name: Anclote Road Parcel ID No. 012715 89136 000 0620
situated at portions of the east and north ROW of Anclote Rd, Tarpon Springs, Florida, subject to the following provisions and conditions:
(Address or Street Intersection)

1. Construction, operation and maintenance of such utility shall not interfere with property and rights of prior occupant.
2. The construction, operation and maintenance of such utility shall not create obstruction or conditions which are or may become dangerous to the traveling public.
3. All work must be done in keeping with standards of the Florida Department of Transportation Manual of Uniform Minimum Standards for Design, Construction and Maintenance for Streets and Highways, Roadway and Traffic Design Standards, Florida Department of Transportation Standard Specifications for Road and Bridge Construction, AASHTO and by the County Director or his agent.
4. All materials and equipment shall be subject to inspection by an Engineer of the County or his agent.
5. Prior to beginning any work hereunder, Permittee shall, through the State of Florida's Department of Environmental Protection Online Contamination Locator Map and the Pinellas County GIS Map, first evaluate the property herein as to any environmental risks. If subsequent to the start of any work herein Permittee encounters any environmental hazard or abnormal conditions, Permittee shall immediately cease work and notify the County. Permittee may only resume work upon written notification by County.
6. The Permittee shall and does hereby agree to indemnify, pay the cost of defense, and save harmless the Permittee from and against payment of all claims, suits, actions, costs, attorneys' fees, expenses, damages, judgments, or decrees by reason of any person or persons or property being damaged or injured by the Permittee, his employees, agents or sub-contractors or in any way attributable to the performance, prosecution, construction, operation, or maintenance of work herein permitted by Permittee and resulting from negligent acts or omissions of said Permittee in connection with the work herein permitted.
7. The Permittee shall repair any damage or injury to the road or highway or other County property by reason of the exercise of any of the privileges granted in this Permit, and shall repair the same promptly, within seven (7) days of opening, restoring it to a condition at least equal to that which existed immediately prior to the infliction of such damage or injury. (Note: All portions of the right of way other than paved areas disturbed by the construction of this utility will be compacted, grassed and mulched or sodded as required.)
8. All overhead installations shall conform to clearance standards of the State Utilities Accommodation Guide and all underground crossing installations shall be laid at a minimum depth of 36" below pavement, or at such greater depth as Permittee may require.
9. In the event of widening, repair or reconstruction of said road, the Permittee shall move or remove said utility installation at no cost to the Permittee.
10. This permit creates a permissive use only and the placing of facilities upon County property pursuant hereto shall not operate to create or to vest any property rights in said Permittee and is granted in perpetuity subject to termination by the Permittee upon the giving of 30-days notice in writing to the Permittee.
11. The Permittee shall furnish the Permittee with a survey showing the exact locations of all facilities to be installed pursuant to this permit, said survey to be sufficiently detailed to allow location of said installation by reference thereto. The attached plan, covering details of this installation, shall be a part of this permit. Upon completion of installation, if field adjustments are made, an as-built drawing will have to be submitted.
12. Section corner monuments subject to displacement shall first be referenced and later reset by a Florida Registered Land Surveyor.
13. All activities in accordance with this permit will require conformance to the "Manual on Traffic Control and Safe Practices for Street and Highway Construction, Maintenance and Utility Operations." (Chapter 316 Florida Statutes)
14. The Permittee's attention is directed to the provisions of the Trench Safety Act (Florida Statutes, Section 553.60 et. seq.) and the Occupational Safety and Health Administration Excavation Safety Standards (29 C.F.R. Section 1926.650, Subpart P) which shall apply to construction operation, and maintenance pursuant to this permit.
15. Compaction within right of way to meet Pinellas County Minimum Standards.
16. Public Works is to be notified a minimum of 48 hours prior to beginning work at 464-3670, otherwise the Permit will be voided.
17. If this permit is for a monitor well, copies of all testing reports are to be forwarded to Pinellas County Regulatory Services.
18. The Permittee shall commence construction within 60 days from the date of this permit and it shall be completed within 365 days.

APPLICATION SUBMITTAL INSTRUCTIONS

1. Description and nature of the proposed installation shall be outlined in the two blank lines on application.
2. The bottom of Application Sheet 1 shall be signed by applicant or his agent.
3. On the attached plan, the following data shall be supplied:
 - a. The plan shall show the right of way lines and the widths of right of way. The offset distance from the centerline of the proposed installation shall be shown and the scope of the proposed project, with all the distances and sizes clearly indicated.
 - b. Typical cross section shall be furnished showing width of pavement, width of right of way on each side, offset distance from centerline to proposed installation and any pertinent data to sidewalks, curbs and gutters, etc.
 - c. Indicate type of installation on both typical cross section and plan view.
 - d. All pertinent drainage information and calculations or justification for size of pipe and/or grading.
4. All improvements within County maintained right of way shall conform to Florida Department of Transportation requirements and/or Pinellas County Subdivision requirements.
5. All applications for water and sewer lines must be separate applications and countersigned by the utility involved prior to submittal.
6. This form is to be made out in QUADRUPLICATE with four (4) drawings; one fully executed copy will be returned to you after approval.
7. There is a variable processing fee that must be received prior to the issuance of the permit. Please make check payable to Board of County Commissioners.
8. Due to the extensive work being done in Pinellas County right of way, please provide proof that you meet the following insurance requirements:

"Comprehensive General Liability Insurance including, but not limited to, Independent Contractor, Contractual, Premises/Operations, Products/Completed Operation, Explosion, Collapse and Underground, and Personal Injury covering the liability assumed under indemnification provisions of this permit, with limits of liability for personal injury and/or bodily injury, including death, of not less than \$300,000, each occurrence; and property damage of not less than \$100,000, each occurrence. (Combined Single Limits of not less than \$300,000, each occurrence, will be acceptable unless otherwise stated.) Coverage shall be on an "occurrence" basis, and the policy shall include Broad Form Property Damage coverage, and Fire Legal Liability of not less than \$50,000 per occurrence, unless otherwise stated by exception herein."

THE UTILITY NOTIFICATION CENTER "CALL SUNSHINE" (1-800-432-4770) MUST BE NOTIFIED 48 HOURS IN ADVANCE OF CONSTRUCTION.

SEE ATTACHED LETTER FOR ADDITIONAL
CONDITIONS TO THIS UTILITY PERMIT.

CONDITIONS
 WHERE ANY VEHICLE, EQUIPMENT, WORKERS OR THEIR ACTIVITIES ENCRDACH ON THE PAVEMENT REQUIRING THE CLOSURE OF ONE TRAFFIC LANE, FOR WORK AREAS LESS THAN 200' DOWNSTREAM FROM AN INTERSECTION FOR A PERIOD OF MORE THAN 60 MINUTES.

CONDITIONS
 WHERE ANY VEHICLE, EQUIPMENT, WORKERS OR THEIR ACTIVITIES ENCRDACH ON THE PAVEMENT REQUIRING THE CLOSURE OF ONE TRAFFIC LANE, FOR WORK AREAS 200' OR MORE DOWNSTREAM FROM AN INTERSECTION FOR A PERIOD OF MORE THAN 60 MINUTES.

- SYMBOLS**
- Work Area
 - Sign With 18" x 18" (Min.) Orange Flg. And Type R Light
 - Channelizing Device (See Index No. 600)
 - Work Zone Sign
 - Flagger
 - Lane Identification + Direction of Traffic

- GENERAL NOTES**
1. Work operations shall be confined to one travel lane, leaving the opposing travel lane open to traffic.
 2. When vehicles in a merging zone block the line of sight to TCZ signs or when TCZ signs encroach on a normal pedestrian walkway, the signs shall be post mounted and located in accordance with Index No. 17302.
 3. If work area is confined to an outside auxiliary lane, the work area shall be barricaded and the FLAGGER signs replaced by ROAD WORK AHEAD signs. Flaggers are not required.
 4. Flaggers shall be in sight of each other or in direct communication at all times.
 5. The FLAGGER legend sign may be substituted for the symbol sign.
 6. The maximum spacing between devices shall be no greater than 25'.
 7. For general TCZ requirements and additional information, refer to Index No. 600.
 8. The two channelizing devices directly in front and directly at the end of the work area may be omitted provided vehicles in the work area have high-intensity rotating, flashing, oscillating, or strobe lights operating.

- DURATION NOTES**
1. ROAD WORK AHEAD sign may be omitted if all of the following conditions are met:
 - A. Work operations are 60 minutes or less.
 - B. Speed is 45 mph or less.
 - C. No sight obstructions to vehicles approaching the work area for a distance of 600 feet.
 - D. Vehicles in the work area have high-intensity, rotating, flashing, oscillating, or strobe lights operating.
 - E. Volume and complexity of the roadway has been considered.
