Final Subdivision Plat Application

Final Subdivision Plat Review

Section 164.05 of the Land Development Code (LDC) requires that upon satisfactory completion and certification of all required improvements a Final Subdivision Plat shall be submitted to the Planning and Zoning Division for review by the Technical Review Committee (TRC) for conformance with the approved site plan and compliance with Chapter 177, Florida Statutes.

Prior to approval by the Board of Commissioners, all required improvements and as-built drawings shall have been completed and certified in accordance with the requirements of the LDC, or an Irrevocable Letter of Credit may be posted for no less than 110 percent of the cost of the required improvements. Upon determination by the TRC that the final subdivision plat and required improvements are complete and in conformance with the requirements of the LDC, the final subdivision plat shall be sent to the Board of Commissioners for approval.

Upon approval of the Final Subdivision Plat by the Board of Commissioners, the plat shall be forwarded along with any other related legal documents to the Pinellas County Clerk of the Circuit Court for recordation. Approval of a final subdivision plat shall constitute dedication and acceptance of all improvements, easements, and rights specified on the plat as public.

Final Subdivision Plat Applications shall conform to the following minimum specifications:

1. The plat shall comply with the requirements of Chapter 177, Florida Statutes.
2. The plat shall be made under the direction of a registered land surveyor who shall certify the plat.
3. The plat shall be submitted in the form of one original on good grade linen tracing cloth, two reproducible mylars, and blue-line copies in the number required by the City.
4. The sheet size shall be 22" by 28" with a 3" margin on the left side and a ½" margin on each of the remaining sides.
5. Multiple sheets shall have clearly labeled match lines.
6. A scale, north arrow, and legend shall be provided.
7. Section, Township, Range shall be provided.
8. PRMs and PCPs shall be clearly marked.
9. Section and quarter section lines shall be shown.
10. Location, width, and name of all streets, water bodies, or other rights-of-way shall be provided.
11. Location, width and purpose of all easements shall be provided.
12. All contiguous property shall be identified by subdivision title, plat book, and page, or noted "not platted".
13. Lot and Block numbering shall be clearly indicated.
14. Lot dimensions shall be provided.
15. Street centerlines shall be shown.
16. Park, open space, or other public parcels (with dimensions) shall be shown.
17. Interior out parcels shall be labeled "not a part of this plat" (with dimensions).
18. Location, purpose, and width of all dedications shall be provided.
19. Building setback lines if greater than that required by normal zoning shall be shown.
20. Name of City and County shall be shown.
21. Name of Subdivision shall be shown.
22. Each plat shall show a description of the lands to be subdivided.
23. The survey closure data for the lands to be subdivided shall be provided.
24. A 1" = 200' reduced scale of the plat shall be provided.
25. All common improvements and open spaces shall be noted on the plat as privately maintained.
26. The continued maintenance of common improvements and open spaces shall be provided for in accordance with the requirements of this Code.

All Final Subdivision Plats shall include the following certifications:

1. A Title Certification completed by an attorney licensed in Florida or title company showing the apparent record title to the land described on the plat and any outstanding mortgages on same;
2. A Certificate of Ownership and dedication executed by all persons or companies having a record interest in the land to be subdivided in accordance with the title certification. All mortgagees having a record interest shall either sign the certificate of dedication or submit a separate instrument joining in and ratifying the plat and dedications. No private improvements or open space shall be dedicated to the City;
3. Surveyors Certification;
4. Certification by Surveyor for the City;
5. Certificate of approval of the Board of Commissioners;
6. Certificate of Approval of the Clerk of the Circuit Court;
7. Reservation of easements;
8. Affidavit of No Liens by the owner; and
9. Special Assessment Liens Search by the City Clerk and Collector.
