1. The developer may contract with a professional Artist to create a permanent public artwork as part of the development project. Artworks must be located in publicly accessible locations. If desired, support will be available from both City staff and the Public Art Committee to assist in the selection of an Artist. Before contracting with the Artist, the property owner will submit for approval by the Public Art Committee the Artist's qualifications, the Artist's proposal, a statement of how the project satisfies the parameters of the Public Art Program, and a budget reflecting that the allocation of funds required by the Program has been met.

Such artwork may include amenities such as streetscapes, paving treatments, architecturally integrated water features as well as mosaics, murals, or sculpture, etc. The artwork must be completed or commissioned before a certificate of occupancy will be issued.

2. In lieu of an on-site project, a developer may contribute .75 percent of the aggregate job value to the City's Public Art Fund. This in lieu fee must be paid prior to the issuance of building permit.
