ADJUSTMENT REQUEST

Date of request: _____

I am requesting an adjustment on the utility bill at the following location;

Customer name: _____

Telephone number: _____

Email Address: _____

Address: _____

Account number: _____

I am applying for a possible credit adjustment on my utility account with the understanding that once the review process has been completed, the account **may not** be eligible for a credit. The review process is performed in the order the requests are received and credits issued will be reflected on my utility statement as an adjusted amount. There will not be an adjusted bill sent out.

I understand that payment may not be withheld; the payment must be current to avoid the 10% penalty and possible termination of services.

By your signature, you are stating you understand the terms of this request

In the event your account qualifies for an adjustment, the credit will be issued through the date of the repair, provided by the customer. Applying for an adjustment on a past due account does not exempt a customer from making payment. You must keep your account in good standing in order to avoid possible termination of services.
