

The City of Tarpon Springs Gift Tree Program allows groups and individuals to donate trees to commemorate special events or memorials and to be placed on City-owned land. Every effort is made to plant Gift Trees at donor's preferred location but final placement is at the sole discretion of the City.

Donation into the Gift Tree Program is \$750.00 per tree. In return, items included are a Florida Friendly species of tree, installation, its continued maintenance, and bronze plaque placed at base of tree. The names of those honored and the names of the donors are inscribed on an engraved leaf on the "Gift Tree" display in City Hall and a record will be kept in the City Clerk's Office in a register for the program. Acknowledgment Certificate would be given to the donor(s). Contributions are tax deductible to the extent allowed by law. A City staffer will contact you regarding your preferred tree species and location.
