

VIRTUAL BOARD MEETING

Join the October 8, 2020 2:00 PM meeting of the Code Enforcement Board

In an effort to maintain compliance with CDC and Pinellas County guidelines for social distancing and general public safety, the City has set up Zoom virtual meetings to facilitate the broadcasting of board meetings and provide for public comments.

As an alternative, we encourage citizens to submit their comments via e-mail to be read into the record. The email must include your name, address and the agenda item your comments are referencing. For the public unable to attend the meeting virtually, comments may be emailed to **tarponcode@tspd.us** or mailed to the attention of the Code Enforcement Department, 444 S Huey Ave. Comments must be received no later than one hour prior to the meeting to be guaranteed to be read into the record. Public without computer or telephone resources who wish to attend shall notify the Code Enforcement Department at least 24 hours in advance of the meeting in order for the City to provide accommodations or coordinate access to the meeting.
