## MEMORANDUM

*"Building a Better Future Through Excellence in Policing"*

*Jeffrey P. Young*  
CHIEF OF POLICE

---

To: Tom Funcheon

From: Chief Jeffrey P. Young *JPY*

Date: November 27, 2023

Reference: FY2024 Police Department vehicle request Electric/Hybrid options.

---

Sir,

The Police Department is requesting 2 Chevy Tahoes and 2 Ford F150's for FY2024, as opposed to ordering Electric Vehicles or Hybrid vehicles for patrol use. See my FY24 vehicle request memo dated November 27, 2023 for additional vehicle order information.

In FY 2023, the Police Department ordered 4 Ford Explorer Hybrid vehicles for Patrol use and had planned on evaluating them prior to the FY24 vehicle request being made. However, as the plant producing the Hybrid Ford Explorers was closed up to very recently due to the UAW strike, it is unknown when the vehicles will be manufactured. Currently the FY23 vehicles are not being projected to arrive until the middle of FY25. Therefore, the decision was made to not order any other Ford Hybrids, and rather order the 2 Chevy Tahoes and as those were limited in availability the decision was made to get 2 Ford F150s as they are readily available and can also serve as high water rescue vehicles.

We additionally investigated purchasing electric vehicles; however, the lack of infrastructure at the Public Safety Building (Charging Stations) makes this venture difficult at this current time. I was working with the former Sustainability Coordinator for the City on developing a plan to implement/installing Charging Stations at the facility, and will continue to do so with the new Coordinator, with the aim of having them ready for ordering the new Chevy Police Blazer 9C1 certified all electric patrol vehicles in the FY2025 budget cycle.

Re: FY 2024 Vehicle Replacement

---

### Recommendation:

As the City's fleet of vehicles and equipment are one of the most important capital assets, we must be diligent and exercise due care to ensure adequate availability of all vehicles on a consistent basis.

With an estimated replacement value in the millions, operating a fleet department requires balancing the costs of purchasing new vehicles against the repair costs and operational downtime.

Based on our data, we recommend purchasing the following replacement vehicles to include updated camera packages.

### Background:

The Police Department will be purchasing:

- I. Two (2) 2024 Chevy Tahoe Police 2WD, from Alan Jay. Funding will come from 001-1002-521.64-00.
- II. Two (2) Ford F-150 Police Responder Crew Cab 4WD XL, from Alan Jay. Funding will come from 001-1002-521.64-00.

- III. One (1) K9 Ford F-150 Police Responder Crew Cab 4WD XL, from Alan Jay. Funding will come from 001-1002-521.64-00.
- IV. One (1) Toyota Highlander Hybrid LE, from Alan Jay. Funding will come from 001-1002-521.64-00.

When the Police Department receives these vehicles they will be turning in for evaluation, as to dispose or repurpose;

- I. Vehicle 6555, a 2015 Dodge Charge
- II. Vehicle 6404, a 2014 Jeep Grand Cherokee
- III. Vehicle 6323, a 2013 Chevy Tahoe
- IV. Vehicle 6061, a 2011 Chevy Tahoe
- V. Vehicle 5969, a 2010 Chevy Tahoe K9

Alan Jay is our selected used vendor from the Sourcewell contract for vehicle purchases in FY24 due to their vehicle availability, fast delivery times, aftermarket parts install and aftermarket parts warranty.
