**Subject: St. Petersburg College Scholarship Funds**

This agenda item is seeking approval of the BOC to open the \$6,000 remaining from the funds awarded for scholarships to fund Greece summer trips to students attending at least one course at the Tarpon Springs Campus of SPC and participating in the program this summer. This assistance from the City will ensure that the desired number of students are able to participate, with the needed added criteria to get the scholarship money.

Correspondence from Rodrigo M. Davis, Ph.D., Provost of the Tarpon Springs Campus, is attached.

Mark -

Happy Friday! We (SPC) are so appreciative of the \$15,000 in scholarships you provided to our students for the sister cities program to Greece this summer. We were able to award three \$3,000 scholarships to three Tarpon High Graduates attending the program.

We would like to ask if we can open the remaining \$6,000 in scholarship funds to students who are going on the program and taking at least one course on the SPC Tarpon Springs Campus this summer?

Thank you again for your consideration.
