To: Mayor and Board of Commissioners
Through: Mark LeCouris, City Manager
From: Renea Vincent, Planning Director
Subject: Ordinance 2024-02 Application #23-07 Amendment to the Land Development Code, Development Agreements (Legislative) **1st Reading**

Recommendation

Approve Ordinance 2024-02 Amending the Land Development Code reducing allowable length of term for a Development Agreement.

Background

This draft amendment was initiated by the Planning and Zoning Board. The ordinance reduces the maximum duration of a development agreement from ten (10) years to five (5) years and allows for one extension of a development agreement for one additional five-year period (or less), subject to a super majority vote of the Board of Commissioners. The Board of Commissioners reviewed the proposed amendment at the regular BOC meeting on February 6, 2024. During that meeting there was discussion around further reducing the time-frame to something less than 5 years. Staff sent a query to the Planners Advisory Committee regarding the duration of development agreements in other local jurisdictions. The following information was obtained:

- Seminole: Max 30 years, no limit on number of extensions
- Dunedin: Max 20 years, no limit on number of extensions
- Oldsmar: Max 5 years, no limit on number extensions
- Clearwater: Max 30 years (Hotel DA Max 10 years), one extension permitted

The Planning and Zoning Board reviewed Ordinance 2024-02 at their regular meeting on February 26, 2024, and recommended approval by a unanimous vote with no additional changes.

Subject: **Amendment to Article VI – Development Agreements**

Background / Planning and Zoning Board Recommendation:

This item proposes a Land Development Code (LDC) amendment to Article VI – Development Agreements. The proposed amendment is presented at the direction of the Board of Commissioners (February 5, 2024) based on the recommendation of the Planning and Zoning Board (January 22, 2024). The draft amendment (attached) revises the maximum duration of a development agreement from ten (10) years to five (5) years and allows for extension of a development agreement for up to five (5) additional years. The proposed amendment would also require a super majority vote of the Board of Commissioners for the extension of a development agreement.

The Board of Commissioners recommended consideration of a shorter timeframe than five years.

Staff Recommendation:

Consider and take action on the draft amendment language for Article VI – Development Agreements (attached).
