Base map information shown on this FIRM was provided in digital format by the Federal Emergency Management Agency, dated 2000; the Florida Department of Transportation, dated 2017; the Florida Resources and Environmental Analysis Center, dated 2000; Pinellas County, dated 2017; and the U.S. Department of Agriculture, dated 2017.

Coastal Barrier Resource System (CBRS) areas and "otherwise protected areas" (OPAs) are no longer shown on this map panel, but still may be present in this community. Current information on these areas is provided by the U.S. Fish & Wildlife Service (FWS). NFIP flood insurance is not available within CBRS areas for structures that are built or substantially improved on or after the dates indicated by FWS. Users should reference the most up-to-date information provided by FWS to determine NFIP insurance eligibility. The official maps and associated information regarding CBRS areas are provided on the FWS website at [www.fws.gov/cbrs](http://www.fws.gov/cbrs). FEMA also includes the official boundaries from FWS on our interactive and dynamic flood maps available through the FEMA Map Service Center.
